

# Deltek Pulse: Health and human services month in review, December 2014

Posted At : January 7, 2015 7:22 AM | Posted By : Olivia Hayden

Related Categories: Health and Human Services, Health Care, State & Local, Procurement

In December 2014, Deltek saw the release of 1,181 solicitations from the health and human services vertical – a 5 percent decrease from November.

Notable request for proposals (RFP) releases in December November include:

- The Oklahoma Department of Human Services released an RFP an [enterprise solution](#) to support potentially all DHS human services processes and business-to-business processes with DHS stakeholders. Proposals are due on March 19, 2015.
- The Alabama Medicaid Agency released its [Medicaid information technology architecture state self-assessment \(MITA SS-A\) 3.0 RFP](#). Proposals are due on February 4, 2015.
- The Maine Department of Health and Human Services, Division of Infectious Disease/Maine Immunization Program, released an RFP [for immunization registry support services](#). Proposals are due on January 22, 2015.
- The Texas Health and Human Services Commission (HHSC) released an RFP for [eligibility support services](#). Proposals are due on March 22, 2015.
