\$564 million Medicaid
Administrative Services
contract

In the News: 90/10 Funding

Also making headlines in April was the notice of proposed rulemaking (NPRM) issued by CMS to permanently extend 90/10 funding and update MMIS procurement standards. For information on what these changes mean for vendors, see the link below to the GovWin IQ blog.

In April 2015, Deltek saw a slight decrease in the number of health care and social services solicitations compared to March

Notable RFP releases

- The Tennessee Department of Health released a request for proposals (RFP) for [professional planning services for the implementation of a modern WIC management information system](#). The state is aiming for joint WIC MIS/EBT implementation by 2017. Proposals are due June 29, 2015.
- The Kentucky Finance and Administration Cabinet released an RFP for [Medicaid managed care organization services](#) for all regions of the commonwealth. Incumbent contracts with Anthem, Aetna (Coventry Cares), Humana (CareSource), Passport and Wellcare will expire on June 30, 2015. Proposals are due May 5, 2015.
- The New York State Department of Health released an RFP for an [all-payer database \(APD\) data warehouse and analytics solution](#). The database will serve as a repository of claims data drawn from all major public and

private payers and can also be combined with clinical and public health data sources. Proposals are due by June 9, 2015.

- The Utah Department of Administration released an RFP for [electronic benefit transfer \(EBT\) services](#). The incumbent contract with JP Morgan is now set to expire in March 2016. Proposals are due July 6, 2015.

In legislative news, the Centers for Medicare and Medicaid Services (CMS) issued a notice of proposed rulemaking (NPRM) on April 14 to permanently extend 90/10 funding and update the Medicaid Management Information System (MMIS) Standards and Conditions, including a new modular certification process for MMIS components. For an analysis of how this proposed regulation will impact vendors, please click [here](#) to access the GovWin IQ blog.
