**GovWin's Federal Task Orders** database was recently updated with EAGLE and FirstSource programs to provide historical task order spending on both DHS contract vehicles.

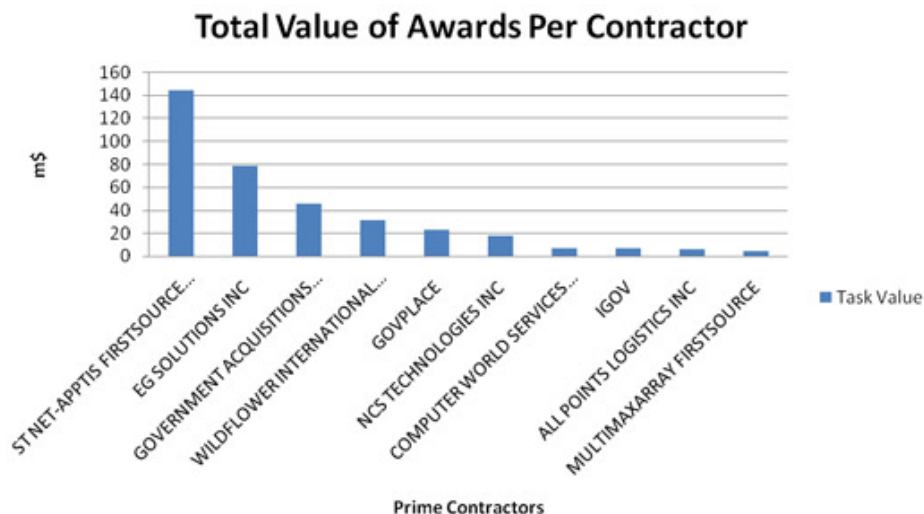

The following graph provides the top 15 EAGLE prime contractors by awarded value of task orders. These values include base plus all possible option year funding for task orders awarded between September 28, 2006 and May 1, 2008.

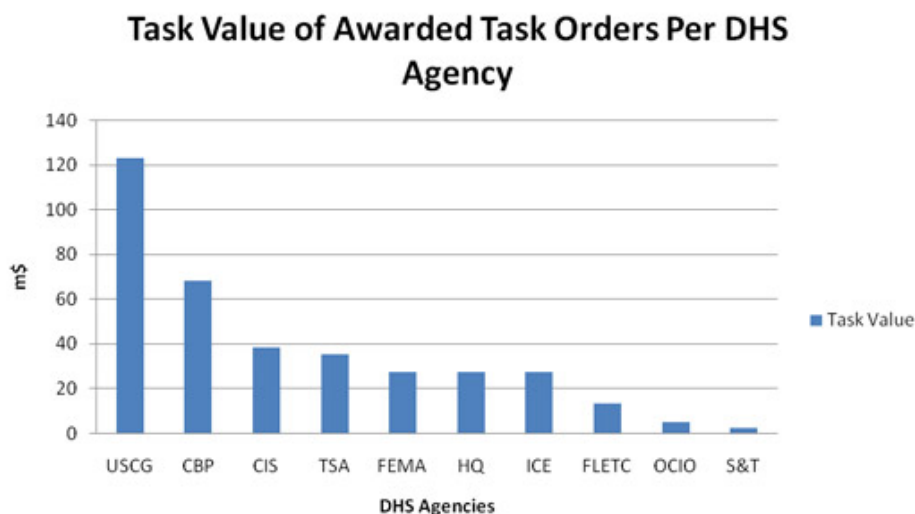

The following graph provides a list of DHS agencies according to the amount of funding they have allocated to task orders awarded under the EAGLE program. These values include base plus all possible option year funding for task orders awarded between September 28, 2006 and May 1, 2008.

The following graph provides a list of all FIRSTSOURCE prime contractors by awarded value of task orders. These values include base plus all possible option year funding for task orders awarded between March 15, 2007 and May 30, 2008.

The following graph provides a list of DHS agencies according to the amount of funding they have allocated to task orders awarded under the FIRSTSOURCE program. These values include base plus all possible option year funding for task orders awarded between March 15, 2007 and May 30, 2008.

For information on upcoming EAGLE and First Source task orders please see [GovWin's Federal Opportunities](#) database.

#### EAGLE Program:

##### Information Technology Infrastructure Program (ITIP/ITMS)

- Opp ID: [36132](#)
- Status: Protest (Post-RFP)
- Value: \$1.5 Billion (GovWin Estimate)
- Summary: ITIP will provide the Transportation Security Administration with nationwide information technology infrastructure including managed services, telecommunications, IT support and related services
